**The Dog
& Thief**

OUR CRAFT BAR

The Dog & Thief takes its name from a recuse mission, where Sir John found himself in Nova Scotia looking for his boss's stolen pet Pooch.

This latest addition to the Sir John's offer has 5 Craft, 2 Real Ale, 5 Draught taps, and an abundance of the finest spirits around. It's a cosy affair with room for up to 25 people and has the added bonus of our covered courtyard being right outside the door for overflow, if your party is a little on the large side.

The Dog & Thief

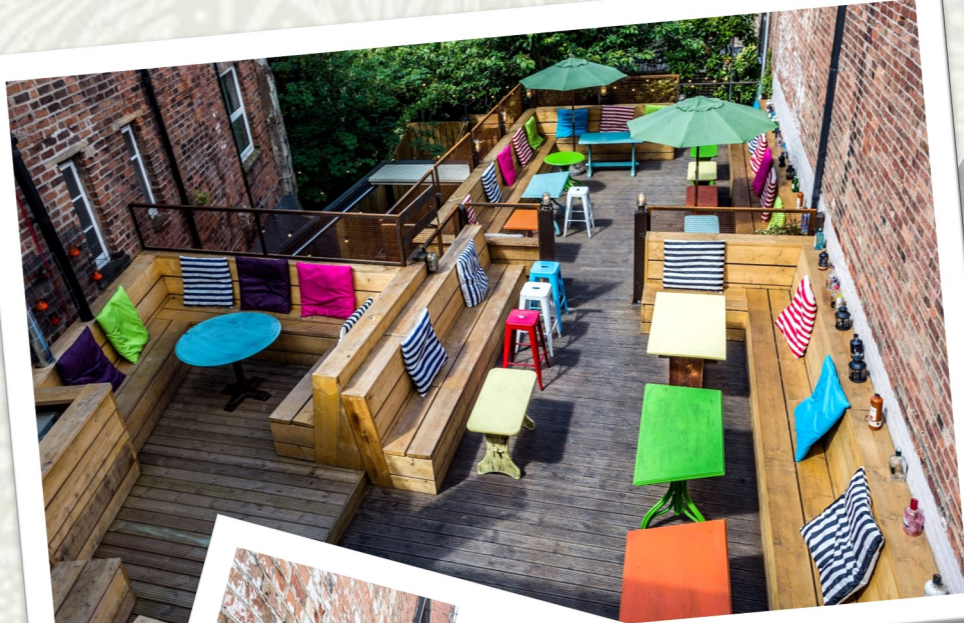

This is the larger of the two areas in the beer garden. Offering a raised private deck, this little suntrap is prime real estate in Canning Circus; An enclosed secluded space that'll make you forget you're anywhere near the city centre.

This area can comfortably seat 60—70 and is ideal for BBQ's and buffets during Summer months.

OUR GARDEN

Our Garden has been recognised as one of the best beer gardens in Nottinghamshire and we're proud to showcase it at every opportunity.

Scorched bench seating, the shady canopy of our Cherry Blossom, rough slate and festoon lighting will leave you thinking you are anywhere but the centre of Canning Circus.

This section of the pub is split into two main areas that offer casual seating perfect for larger groups without food who are just looking for a casual get-together.

With room for up to 25 people over the two areas, let us know if this fits the bill.

The Gallery is our largest indoor area offering space for 32 people to sit and enjoy the plentiful views around Canning Circus or up to 40 for an informal gathering.

With hard flooring, restaurant-style flexible table configurations and seating, this area lends itself to a slightly more 'formal' style of party— bearing in mind that we are still a pub so our formal is still rather casual!

We can also add the 'Snug' and Fireplace' on to the Gallery to offer additional seating and room for the buffet if the Gallery is at its maximum occupancy.

THE GALLERY

THE SHOP

The Shop is a quieter, hidden away space for 10 to 20 people—this lounge area is ideal for intimate parties or more private, small meetings.

It's a light, airy room with a large window overlooking Derby Road and The Ropewalk.

We can fit one large table for 16 or a few separates to get the numbers up a little more.

Our study is the smallest of all our rooms holding up to 10 people. It's enclosed feeling makes it the perfect place for meetings or small dinner parties.

We also hold our Gin and Whisky tasting evenings for smaller groups in here with it lending itself perfectly to the intimate occasion.

If gin is your thing (or indeed whisky) and you want to know more please speak to one of our friendly team for details of our next event. Interested in a particular theme?

Why not share your thoughts with our team—a wine tasting evening perhaps? An evening of tasting the tastiest of cheeses? A Belgian Beer event? Flavoured gins and sloes?

We'd love to hear your ideas and we'll be happy to tailor a tasting table to tempt you!

PAY AS YOU GO

Our standard room and space hire at The Sir John is simple:

- Choose the best space for you and book it with us.
- Pay for drinks as you go at the bar.

The cost of the room depends on the time of the week and how many guests you bring with you—please see the adjacent table for pricing details.

If your party is planning to dine with us we may be able to waive the room hire charge.

We start the group sizes at 12 because any fewer is usually a table booking.

Remember—If you have something particular in mind then please ask us and we'll do what we can to accommodate you!

FOOD, GLORIOUS FOOD!

We've designed five example buffet menus to show you what we can offer and to give an indication of cost;

This doesn't mean this is all we can do—menus are changeable and we'll aim to accommodate your needs—if you want to swap, change or suggest something completely different please don't hesitate to ask! We're flexible about numbers but would suggest that for groups fewer than ten people, our set menu may be best.

1. Meetings Menu (Sandwich Buffet)
2. Pub Classics
3. Antipasto
4. BBQ
5. Drinks and Desserts

The Small Print:

Upon booking we require a 25% deposit, which is fully refundable until one week prior to the event. We do not allow self-catering, disco's or amplified music—acoustic bands and acts are permitted in the Gallery or Garden areas.
